

Georgeie Reynolds, statement regarding goals, etc

If elected to the Board, I would seek to broaden the scope of our annual training with new session topics, if the membership decided this would be a good idea. I'd draft a questionnaire seeking your input and ideas. I would also work to increase our funding base to bring you an ever better training during these fiscally hard times. I would also uphold SAIGE's primary mission of honoring our ancestors through government service. Lastly, there isn't a more talented group of people to work with than our Board.
