

I have expressed an interest in running for the SAIGE Board of directors for the position of Vice-President. I have been a SAIGE member since its inception, and, am committed to the mission of SAIGE well into the future. I possess experience in both working with the Federal Government and with Native Communities around the United States. I believe I am a good candidate for this position. Please accept my statement of interest for the position of Vice-President.

Thank you,
Duane O Matt
SAIGE board member and life-time member!
